

# ALEC PRO NOVOST

**DIRECTOR  
SCREENWRITER**

As a Club Piscine employee, Alec Pronovost decides to leave his aquatic stronghold and evolves into a director and screenwriter. *Le Killing*, his first project owning all those skills, earns him two *Gémeaux* nominations as well as a *Numix* prize for best comedy series.

He's also "known" for his numerous short films *Jeep Boys*, *Sainte Marie-Josée part en croisade*, *Tony Speed* and his new comedy series *Complètement Lycée* competing at the 2022 prestigious CANNESERIES. Armed with a sharp-edged sense of humor and a burning passion for comedy, he is slowly AND surely coming up as one of the most revered comedy directors in the Québec province.

Mainly, he just loves rock & roll, sugary juices and good old fun.
