

BAZ

**DIRECTOR
WRITER**

Laurence “Baz” Morais is a director known for his spirited and stylized visuals that have always found a resonating voice in today’s ocean of images.

Coming from a skate and nightlife background, Baz directed a number of music videos for notable artists such as Alaclair Ensemble, Bernard Adamus and Klo Pelgag. He credits directing music videos as a key formative experience teaching him polyvalence and the embracing of an array of aesthetical references.

His short film, Game of Death, had its premiere at the SXSW Film Festival in 2018 and was subsequently selected at many others.

Baz has directed campaigns for the likes of ADIDAS, HELLMAN’S, MOLSON, MOMENT FACTORY, MIGHTY BLEND, NUTELLA, RADIO-CANADA, VIRGIN RADIO and many others.
