

DAVID FINDLAY

**DIRECTOR
WRITER**

Born and raised in Quebec City, David Findlay is a writer-director having studied at the University of British Columbia.

His work focuses on the earnest examination of human behaviour and is known for seamlessly straddling the line between fiction and documentary through a highly cinematic lens.

In 2019, he was included in SHOOT Magazine's New Directors Showcase at the Directors Guild of America following the release of his debut feature film Everything Outside.
