

# **OLIVIER STAUB**

**DIRECTOR  
PHOTOGRAPHER**

Originally hailing from France, Olivier Staub is an award-winning commercial photographer and filmmaker based in Montreal.

Amongst his most notable achievements, Olivier directed the spot 37 days, which has gone on to win over 65 international prizes including 4 Cannes Lions and the Grand Prix at the Cristal Awards. His unique storytelling versatility and exhilarating visuals have seen him shoot for the likes of General Motors, Volkswagen and Nike.

Olivier has also trained and mentored countless artists over the years and today serves as a founding partner and creative steward of Mile Inn, a major commercial production collective in Montreal specializing in film, photography, virtual reality, experiential, original music and more.

He continues to shoot captivating and award-winning work for the likes of Agripur, Air Canada, Doctors Without BORDERS, HOME DEPOT, MAZDA, RENAULT and many others.
